Drillsite News

A Periodic Update for Drillsite Broadcast Company Shareholders and Friends – 1 Q 2010

By Michael Dwinnell, CEO

Capital outlays for drilling operations to increase in 2010

Independent oil & gas operators are planning to increase proven undeveloped leasehold inventories modestly, and increase drilling operations more aggressively, as supply inventories tighten according to the EIA 1 qtr report 2010. This in anticipation of higher future prices at the wellhead.

Michael Dwinnell, Founder and CEO, displays live video feed from drilling rig via satellite on flat screen HDTV and laptop at OIPA convention.

"Drillsite People Highlight"

The newly married Mrs. Jill Reynolds (fka Ruble) is our Business Administrator and Sec. /Treas. With a light beaming on one of Drillsite's RDBS Broadcast Units.

Pardon the reflection but with a future so bright, you should be wearing shades!
